

Missouri Society
For Clinical
Social Work

Mission: to support licensed clinical social workers through collaboration, advocacy and education.

Board Member Agreement

Welcome to the MSCSW Board!

The Missouri Society for Clinical Social Work is a professional membership organization that serves clinical social workers the St. Louis Metro Area through education, advocacy and membership. As a MSCSW board member you will be working with other board members to guide the organization's growth and development. The MSCSW board is a very small action-oriented board that helps organize events, coordinate members, and advocate at the state and national levels for members and the profession. Joining the board is a great way to get leadership experience, build professional connections and learn more about the network of clinical social workers in the area. We are happy to have you on the board!
